

The library

Nota is a national library for persons with print disabilities. When you become a member at Nota you can order audiobooks, e-books, braille books and braille-music. We have also got magazines and newspapers. When you order an audiobook you will receive it in the mail within a few days. The audiobooks does not have to be returned. In 2009 our collection is about 23.000 titles. We have got books for children, young people and adults.

When you search for books

E17: You can search for books and download, stream or order them at our online library www.e17.dk

E-mail: You can order books by sending an e-mail to the adress: biblioteket@nota.nu

Destinations URL: <http://www.nota.nu/node/157>
